1. Business Model & Objectives

Description:

Our startup is a modern fashion brand focused on creating trendy, affordable, and sustainable clothing for Gen Z consumers. We offer stylish apparel inspired by the latest fashion trends, social media culture, and streetwear aesthetics while ensuring comfort, quality, and accessibility through an online-first shopping experience.

Problem:

Gen Z consumers often struggle to find clothing that is fashionable, affordable, sustainable, and reflective of their personal style. Many existing brands either charge premium prices, offer limited customization, or fail to keep up with rapidly changing fashion trends.

Solution:

We provide an online fashion platform offering trendy, high-quality, and budget-friendly clothing designed specifically for Gen Z. Our platform features regularly updated collections, personalized recommendations, sustainable fashion options, easy online shopping, secure payments, and fast delivery, making fashion accessible and enjoyable for young consumers.

Target Audience:

Fashion-conscious Gen Z individuals aged 16–30, including students, young professionals, content creators, social media influencers, and online shoppers looking for stylish, affordable, and sustainable clothing.
